GLOVE REVOLUTION SINCE 1912

SUMMER 2024

# TRY IT, WEAR IT, (G)LOVE IT.

Glove-making masterpieces for passion and profession

**DE:** Seit über 110 Jahren machen wir Handschuhe. Durch die konsequente Spezialisierung auf Handschuhe setzen wir bis heute höchste Qualitätsstandards in Verbindung mit zukunftsweisenden Innovationen. Die langjährige Erfahrung und die daraus resultierende Handschuhmacher-Handwerkskunst ermöglicht es uns, ausgezeichnete Handschuhe für die ganze Welt zu produzieren. Und zwar für alle Lebenslagen – auch wenn sie noch so unterschiedlich sind. Von Feuerwehrhandschuhen, über Militärhandschuhen, bis hin zu Skihandschuhen, eleganten Lederhandschuhen, Fahrradhandschuhen und Motorradhandschuhen. Flexibilität, Innovation und Sonderlösungen zählen zu unseren Lieblingsdisziplinen.

**EN:** Since more than 110 years we produce gloves. Through its consistent specialization in gloves, ESKA combines the highest standards of quality with pioneering innovations. Due to the years of experience and the resultant glove-making craftsmanship, we produce award-winning products for the global market. Namely for all situations in life – no matter how different they are. From firefighting gloves, military gloves to ski gloves, elegant leather gloves, bike and motorcycle gloves. Flexibility, innovation and customized solutions are what we do.

**FR:** Depuis 110 ans nous fabriquons des gants. Concentrant nos efforts exclusivement sur les gants, nous nous ingénions depuis toujours à appliquer les standards de qualité les plus élevés tout en intégrant les innovations du futur. Notre longue expérience, et le savoir-faire de fabricant de gants qui en résulte, nous permet de produire des gants exceptionnels pour le monde entier. Et cela pour toutes les situations qui peuvent arriver dans la vie – même si celles-ci sont bien différentes des unes des autres. Il s'agit de gants destinés aux pompiers, aux militaires, en passant par les gants de ski, les gants en cuir élégants ou bien les gants de cyclistes ou de motards. La flexibilité, l'innovation et les solutions individualisées font partie de nos disciplines préférées.

“

Egal ob Island, Mallorca, Kanada oder Österreich die Radhandschuhe von ESKA sind bei mir immer dabei und dank der neuen Kollektion für Kinder, ist nun auch mein Sohn ideal ausgerüstet für unsere gemeinsamen Bike Abenteuer.

Whether Iceland, Mallorca, Canada or Austria the cycling gloves from ESKA are always with me and thanks to the new cycling gloves for children, my son is now also ideally equipped for our joint bike adventures.

- Oliver Andorfer

ESKA kannte ich bis vor ein paar Jahren nur aus dem Wintersportbereich, dass nun auch seit drei Jahren Fahrradhandschuhe produziert werden, freut mein Biker-Herz natürlich. Seit dem gibt es für mich keine Radtour ohne ESKA Handschuhe.

A few years ago I only knew ESKA from the winter sports area, that they also produce bicycle gloves makes my biker heart happy. Since then, there is no bike ride without ESKA gloves for me.

- Evelyn Gumpinger

“

“

Stetige Weiterentwicklungen und Aufarbeitung von Kundenfeedback zählen zu den wichtigsten Aufgaben vor der Planung der neuen Kollektion. Mit den zwei neuen Modellen haben wir das Sortiment optimal abgerundet und auf alle Anforderungen abgestimmt.

Continuous development and processing of customer feedback are among the most important tasks before planning the new collection. With the two new models, we have optimally rounded off the range and adapted it to all requirements.

- Sophie Brunner, ESKA
